Terms

This quote is valid for 30 days from issue date.

E4 Warrantee

Empatica guarantees:

- 30-day trial period: The customer has 30 days to return the undamaged product if it does not fit her/his expectations or needs and obtain the full refund of the paid amount (shipment expenses excluded). The customer will be liable for return expenses and safe arrival of the product at Empatica offices

- 1-year warranty for product defects.

- Shipping Terms: Unless otherwise noted on this document Empatica ships with DAP Incoterms - The buyer is responsible for import clearance and any applicable local taxes or import duties.

E4 Lead Time

The E4 is made-to-order, hence the lead time only depends on the current backlog of orders and usually ranges from 4 to 6 weeks. Production cannot be expedited in any case since it could affect the quality of the devices. By confirming this quote, you accept the above-said delivery conditions.
